THIS PAGE IS LEFT INTENTIONALLY BLANK

INTRODUCTION:

We are thrilled you have chosen to spend your day at Six Flags Hurricane Harbor OKC! Our goal is to make your visit fun and memorable. This Six Flags Guest Safety and Accessibility Guide includes important information to assist Guests with planning their visit to the park and enjoy its various attractions, rides, services and amenities. In this Guide, Guests will find specific information for individuals with disabilities along with general policies and guidelines.

We work closely with the manufacturer of each of our rides and our policies incorporate the manufacturers' guidelines as well as the requirements of the Americans With Disabilities Act. We hope that this Guide will help Guests make the best choices to ensure a safe, comfortable and convenient experience at the park. If, at any time, Guests need additional assistance or a further explanation of our policies and guidelines, they should feel free to ask any Six Flags Team Member.

Our goal is to safely and efficiently accommodate the needs of all Guests, including individuals with disabilities. This Guide, along with the availability of our Team Members to answer any questions and offer assistance, will allow Guests to have a thrilling and safe day at the park.

GENERAL WARNING:

We are committed to providing you a safe environment during your visit to Six Flags Hurricane Harbor OKC. While there are inherent risks to participating in any amusement park ride or attraction, our goal is to ensure your safety with the incorporation of some restrictions. For your safety, you should be in good health to ride. Only you know your physical conditions or limitations.

Many park rides/attractions incorporate safety systems designed by the manufacturer to accommodate people of average physical stature and body proportion. Ride and ride vehicle design may restrict larger guests from participating in the attraction. Extremely large or small individuals, Guests who have heart, back or neck trouble or conditions, pregnant women, people who have had recent surgery or an illness, people with casts, braces, restrictive devices or certain disabilities may not be safely accommodated by certain ride systems. For example, height requirements are based on the size needed for safety restraints to function properly and the level of maturity usually associated with a certain height

If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, **DO NOT RIDE**. The specific features, rider requirements and health restrictions of each ride are described later in this Guide.

In order to ride, Guest must possess the physical and cognitive abilities to hold themselves in the proper ride position throughout the course of the ride. Six Flags reserves the right to make the final determination regarding eligibility of a Guest to ride a particular ride based on the Guest's size, weight, height or other limitations. Information in this Guide is subject to change.

RIDER RESPONSIBILITY:

All Guests have a duty to exercise good judgment and act in a responsible manner while participating on a ride or attraction and to obey all verbal and written warnings and instructions. Guests also have a duty to properly use all ride/attraction safety equipment provided.

PARKING:

Accessible parking is available on a first-come, first-serve basis within the main parking lots of the park. When you arrive at the parking toll booths, ask a Team Member for instructions regarding where to proceed to the accessible parking lot. Both auto and van accessible spaces are provided. A valid disabled persons parking placard or license plate must be displayed at all times while parked in the designated accessible parking area. If the designated accessible parking area is full at the time of your arrival, members of your party may be dropped off at the main pick-up/drop-off area, near the main entrance to the park. Please ask a Team Member for directions to additional parking areas.

WHEELCHAIRS AND ELECTRIC CONVENIENCE VEHICLES (ECV'S):

Wheelchairs are available for rent at Guest Relations. A deposit is also required. Guests may also use their own wheelchairs or electric convenience vehicles (ECV's). Battery recharging is also available at Guest Relations.

Guests using wheelchairs or ECV's may utilize any ticket window and designated turnstiles to enter the park. Many of the park's shopping and dining facilities are also wheelchair accessible. All Pools are accessible to Guests using manual wheelchairs. Please keep in mind that there are specific boarding requirements and accommodations for those using wheelchairs at each ride or attraction.

SEGWAY:

Due to varying walkways, terrains and large crowds, we cannot permit the use of two-wheeled, self-balancing electric vehicles such as Segways.

SERVICE ANIMALS:

Trained service animals are welcome at our Six Flags Parks.

Service animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding people who are blind, alerting people who are deaf, pulling a wheelchair, alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. Service animals are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person's disability. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals. Miniature horses that have been individually trained to do or perform tasks for people with disabilities will qualify as service animals.

Service animals must be house broken and remain on a leash or harness and under the control of their handler at all times. Owners are responsible for disposing of their animal's waste. Guests whose service animal demonstrates aggressive and/or annoying actions toward a Guest or Team Member will be directed to remove the animal from the park.

Service animals are welcome in most locations of the park. Our rides/attractions and pools are not equipped, or designed for, accessibility to service animals. Therefore, a member of your party must be available to stay with the animal while you ride.

RESTROOMS:

All restrooms within the park are accessible for Guests using wheelchairs. Please check the park map for locations. The park's Team Members or Guest Relations can provide location directions should you need companion restrooms during your visit.

Ride and Attraction ACCESS:

Most of the park's attractions, restaurants and shops are accessible to wheelchairs. Most, if not all rides require climbing of steps and the transfer to the ride vehicle.

Entry, Exit and Transfer must be accomplished independently by the Guest or with the assistance of a member from his/her party. Six Flags Team Members are not trained in lifting or carrying persons with disabilities and are therefore not permitted to assist Guests on or off the rides. If in doubt, please contact the Ride Attendant or Guest Relations for more information.

MEDICAL DEVICES AND MOBILITY AIDES:

For your safety and the safety of others, riders may be required to remove medical devices, half or full-length orthotics, braces, crutches, canes, prosthetics and any other type of medical assistance device that is not permanently affixed to the rider's body to prevent hazards or loss due to ride forces. These devices may prevent safety restraints from working as designed, keep the rider from maintaining the proper riding posture, and present a hazard to the rider or others. If in doubt about your ability to safely experience a ride or attraction, please refer to the Rider Requirement Sign at the ride entrance. You may also consult with a Ride Attendant or Guest Relations for more information.

Please also refer to the "Ride Information" section of this Guide for specific information regarding removal of medical devices and mobility aides on a ride by ride basis. If you have any questions, please ask a Ride Attendant or visit Guest Relations.

LARGER FRAMED GUESTS:

Many rides/attractions are designed by the manufacturer to accommodate people of average physical stature and body proportion. The design of the ride may place restrictions on the ability of an individual to safely experience the ride. Guests of a larger size may not be accommodated on some rides.

RIDE RATINGS AND WARNINGS:

RIDE RATINGS AND WARNINGS:

Ride warning signs can be found at the entrance of each ride to help determine the attractions that are best for Guests based upon their experience level, physical condition and abilities. Information on each ride can also be found on the Park Map and Guide.

Key to Symbols:

GENERAL INFORMATION

FAMILY SERVICES/NURSING MOTHERS:

A private room for nursing mothers is available upon request and is located in the First Aid Station across from the Big Kahuna. Baby changing areas and a companion restroom can be found in most restrooms. Please feel free to ask a Team Member for directions to these locations or review a park map.

HEARING DISABILITIES: Written ride instructions are available upon request at the top of each ride.

PREGNANCY: Guests who know or believe they may be pregnant should follow all rules, guidelines and restrictions listed for each ride. Those who are pregnant should not ride a ride that specifically lists pregnancy as a rider restriction. Please closely review all rules and guidelines at the entrance of each ride.

FOOD, DRINKS AND COOLERS: Food, beverages, coolers and grills may not be brought into the park. The only food exceptions is for food allergies as described below and infant food, in non-glass jars. Six Flags Hurricane Harbor OKC prohibits the use of grills and open flames in and around the property, including parking lots. Coolers are not allowed into the property.

FOOD ALLERGIES:

Guests who suffer from sensitive or life-threatening allergies may bring food into the park if they do not feel comfortable with the menu options available. In this case, the food must be limited to the individual with the allergy and may contain: two sealable sandwich bags (7 inch by 8 inch) and one snack to accommodate their visit (such as a piece of fruit, or a fruit bar, or a snack that fits in a sandwich bag). One small soft sided cooler may be brought into the park to carry these items. No outside beverages are permitted. Please see Security at Six Flags Hurricane Harbor OKC to receive a medical sticker.

FIRST AID:

Emergency Medical Technicians or Paramedics are on duty during all park operating hours. If you require medical assistance, ask any Team Member and they will summon medical personnel to your location. Please refer to your Park Map and Guide for the location of First Aid.

OXYGEN TANKS/AIR CONCENTRATORS:

Due to the dynamics and certain characteristics of the rides, oxygen tanks or portable systems are not permitted on most of our rides and attractions. Oxygen tanks are permitted in enclosed facilities. For your convenience, the park's First Aid station will be able to appropriately store your additional oxygen tanks during your visit.

WARNING – ATTENTION ALL RIDERS

THERE ARE INHERENT RISKS IN THE PARTICIPATION IN OR ON ANY AMUSEMENT RIDE OR ATTRACTION. IF YOU CHOOSE TO RIDE, YOU ACCEPT ALL OF THESE RISKS. RESTRICTIONS FOR GUESTS OF EXTREME SIZE (HEIGHT OR WEIGHT) ARE POSTED AT ALL RIDES AND ATTRACTIONS. GUESTS WITH DISABILITIES SHOULD REFER TO OUR SLIDE ADMISSION POLICY AVAILABLE AT THE GUEST RELATIONS BOOTH. PATRONS HAVE A DUTY TO EXERCISE GOOD JUDGMENT AND ACT IN A RESPONSIBLE MANNER WHILE PARTICIPATING ON ANY RIDE OR ATTRACTION. PATRONS ALSO HAVE A DUTY TO OBEY ALL VERBAL AND/OR WRITTEN WARNINGS AND TO BEHAVE IN A MANNER THAT WILL NOT CONTRIBUTE TO INJURING THEMSELVES OR OTHERS. EACH RIDER MUST KNOW THE RANGE AND LIMITS OF HIS OR HER OWN ABILITY. EACH RIDER HAS THE RESPONSIBILITY TO RIDE ONLY THOSE ATTRACTIONS THAT WILL NOT EXCEED THAT RIDERS ABILITY TO PARTICIPATE SAFELY.

Basic Ride Information

In general, all riders should be in good health and free from any conditions known or unknown that might be aggravated by riding. To ride, guests must have the ability to brace themselves upright in the provided tube and support their head and neck during the slide/water movements.

Before riding, note all safety warnings for each ride. In general:

- Wait in the start tub until dispatched by the attendant
- Do not stand or stop on the ride
- Remain in the riding position until you exit into the pool
- Exit the slide immediately – Do not cross other slide exits
- NO Chain riding allowed
- The following are NOT allowed while riding:
 - Loose articles such as cameras, phones, hats, etc. Personal items should be secured in a locker or left in the care of others while riding. Hurricane Harbor OKC will not be responsible for the care, loss, or damage of these items
 - Casts; swimwear with buckles, rivets or any sharp objects; Cut-off jeans
 - Footwear other than water shoes
- Eyeglasses should be secured with a head strap
- The following are NOT allowed in the queue line or on the ride:
 - Smoking, Eating, Drinking, Chewing Gum, Candy, Horseplay, Running, Jumping
- Line Jumping for any reason is cause for ejection from the park
- Anyone who has experienced a stomach and/or intestinal illness within the past two weeks may not participate in any water attractions
- Diaper dependent persons must wear approved waterproof diapers in any water attractions
- Obey the instructions of park staff at all times, failure to follow rules and instructions may result in injury to yourself and other
- If you are hearing impaired, ask the ride attendant for written ride instructions before boarding the attraction

Ride Evacuations

If a ride/attraction evacuation is necessary, Guests may need to negotiate stairs from the highest points of the ride/attraction down steeply inclined stairs or walking surfaces. Guests requiring assistance during the evacuation may be escorted last in order to expedite the evacuation process.

Special Access Entrances

Due to the unique nature of waterpark slides and the exits of the slides typically being into catch pools or run-out, we are unable to offer any special entrance or access points to our slides and attractions.

Guests of Exceptional Size

Due to ride manufacturer and/or tube manufacturer requirements, guests of exceptional size may not be accommodated on some of our rides. This may apply, but not be limited to, guests who exceed 250 pounds, and guests that ride together on a two-person slide that exceed 400lbs combined.

Loose Articles: Keep Secure

When planning your day at Hurricane Harbor OKC, it's best to travel light. Bring only items that can be safely secured in lockers, or left with a non-rider. Unfortunately, our slides cannot accommodate loose articles including cell phones, pagers, hats, cameras, stuffed animals, purses, backpacks, basketballs, umbrellas, beverage containers, personal entertainment devices, etc. Lifeguard and slide attendants cannot be responsible for these items. Please do not leave valuable items on the pool deck. Daily locker rentals are available near the Tobago Trading Post located near the front entrance of the park. We offer three sizes of lockers, Standard, Family and Jumbo to accommodate a variety of personal items. Glasses must be secured by an athletic strap or they cannot be worn on the ride. For safety reasons, taking pictures, videotaping and filming on rides is prohibited.

Lost & Found Articles

Secure all loose articles such as glasses, cellular phones, pagers, loose change, cameras, keys, clothing, sunglasses, hats, wallets, etc., in a locker or with a non-rider *before* you get in the queue line for a slide. All items found at Hurricane Harbor OKC are turned in to our Lost and Found Department at our Guest Relations Office located on the back side of the east Ticket Booth at the Front Gate area. In order to keep the slide or attraction in operation an immediate search may not be possible. Please visit Lost and Found to complete paperwork to ensure the item is returned to you if it's found. For your safety, do not enter unauthorized areas. You or someone else could be seriously injured if you enter an unauthorized area. Entry into an unauthorized or restricted area will result in removal from the park. Lost items that go unclaimed will be held for 30 days, after which we will dispose of the items accordingly.

Camera Policy

For safety reasons, we cannot permit on-ride photography of any kind on any ride. It is encouraged that Guests leave their equipment with a non-rider or secure it in a locker or their vehicle. Lockers are available to store items for a nominal fee. Guests must have written permission to use photographs and/or recordings of any aspect of the park for commercial broadcasting, advertising, marketing, or publishing in any medium. Photography is limited to family members only and all care should be given to not photograph other Guests enjoying the park. Under no circumstance shall "Selfie-Sticks" or cameras/phones on a pole be permitted on a ride. Riders will not be permitted to hold a camera, camera phone, or other recording device while riding a slide or attraction. Any type of photography or use of video recording devices is strictly prohibited in all restrooms and changing areas.

Prosthetic Devices:

This policy is aimed at fostering the best guest experience possible, while maintaining the safety of our attractions.

We allow prosthetics on waterslides given the following conditions:

1. Riders must be able to safely enter and exit the slides.
2. Riders must be able to assume the prescribed riding position.
3. The prosthetic must not pose a danger to the patron themselves, others in the ride, the riding vehicle and/or the riding surface (which is for the safety of the guests to maintain a safe riding surface)
4. Efforts should be made to accommodate those with disabilities where possible.
5. Guests wearing prosthetic devices must cover any exposed metal with a padded material.

Special Services

We're trying to make Hurricane Harbor OKC as enjoyable and barrier-free as practical. Listed below are some of the services we offer. Please feel free to suggest areas in which we might improve in the future.

1. On most slides, pools and attractions, guests in wheelchairs will have to transfer out of their wheelchairs and into a tube or other flotation device.
2. Hurricane Harbor OKC does not currently supply wheelchairs for daily use/rental.
3. Our First Aid Station is staffed from park open to close. Refrigeration for medication, with the exception of bee sting anaphylaxis kits, is available at First Aid, and medical equipment can be stored.
4. Handicap parking is available for guests needing it. Permits are required to use these spaces.
5. Although food and beverages are not allowed to be brought into the park, individuals who have special need/diet items due to a medical condition may bring small these items and store them in First Aid to accommodate such needs.
7. Service animals are welcome at Hurricane Harbor OKC. Service animals must be physically controlled on a leash or harness at all times. Due the nature of water slides, service animals must remain with a non-riding member of the guest's party. Hurricane Harbor's team members are not permitted to take control of service animals. Guests whose service animals demonstrate aggressive actions toward our guests or employees will be directed to remove the animal from the park. Limit one service animal per guest.
8. If you need further information or have a special need that is not addressed here, please contact the Guest Relations Office.

Recent Surgery, Heart, Back, Neck Problems and/or Pregnancy:

Guests with a history of recent surgery, heart trouble/high blood pressure, neck trouble, back trouble, or any other condition that may be aggravated by riding, or who are pregnant, should carefully heed all warning signs at each slide entrance. If you are in doubt about your ability to safely experience a ride or would like more rider information please visit the guest relations office.
